Construction on the new office starts Monday ▾
 Sandra Powell - HR News

Our executive team met with the designers and contractors who are building our new office space, and have confirmed that construction will start this Monday!

Here's a floor plan (attached) and an **image gallery** to give you a sense of the size of our new office. We'll make sure to keep you posted as construction begins and all

Newsfeeds

Give quick status updates, share links and files, and highlight your team's latest wins.

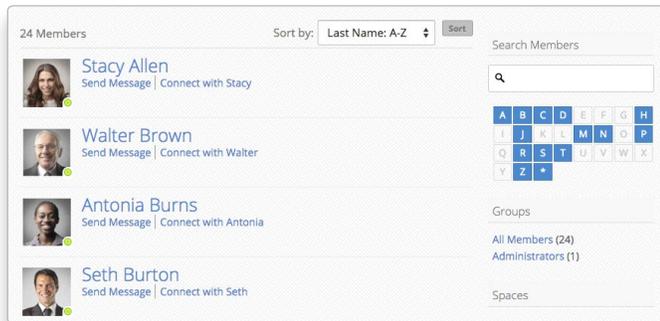

Social

Encourage social sharing by adding the ability to like, rate, and comment on any type of content.

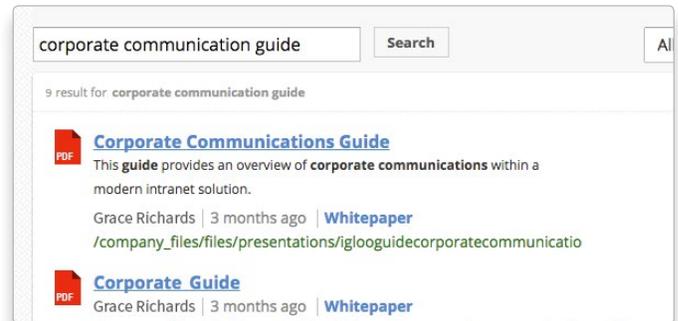

People Directory

Every Igloo has a built-in people directory so you can locate and learn about your colleagues with a few quick clicks.

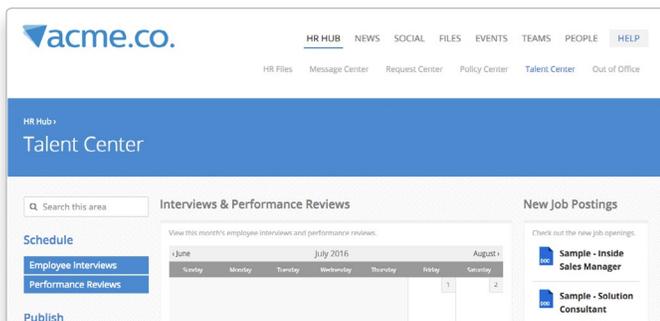

Search

All your content, files, and profiles are searchable, so you can find what you're looking for in a matter of seconds.

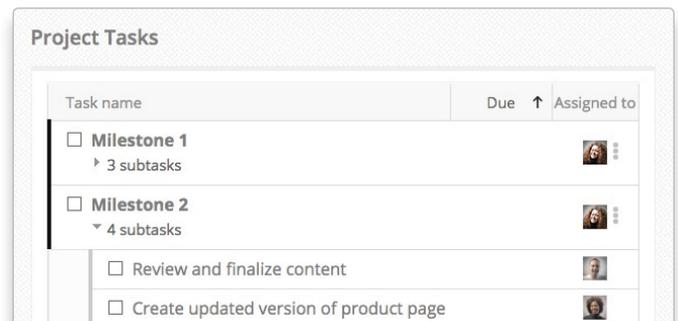

Spaces

Create sub-communities for teams, departments, projects, or clubs. No matter what brings you together, you have one place to huddle up and get stuff done.

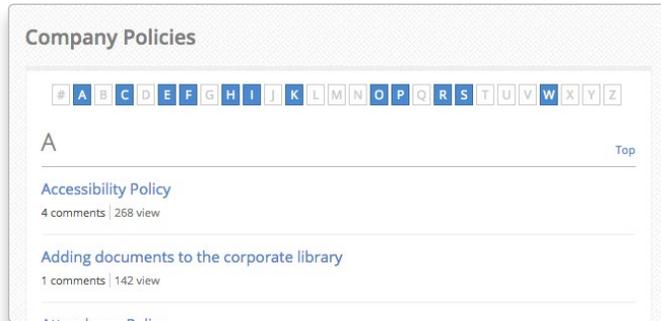

Tasks

Track to-dos, take-aways, action items, review cycles, and anything else that's keeping you busy. You can even use subtasks to break bigger projects into smaller pieces.

Wikis

Store standard policies and procedures for everyone to see – like information about benefits or submitting an IT request.

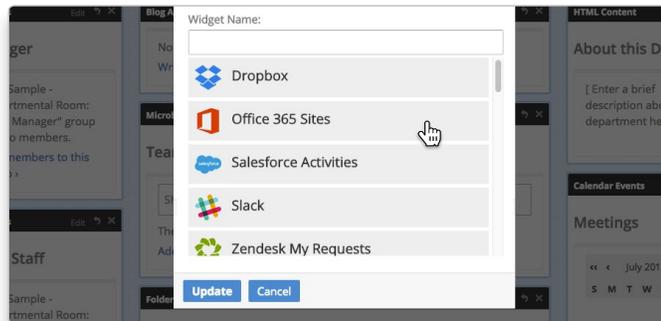

Gamification

Spur some healthy competition by using Igloo's points and badges system to reward participation on the intranet.

Integrations

Access leading cloud apps like Office 365, Google Drive, Dropbox, Salesforce, and Zendesk from right inside your Igloo.

Tech checks

- 100% hosted in the cloud
- Enterprise-class security features
- Enhanced configuration capabilities
- Access controls and permissions
- LDAP authentication and single sign-on
- Analytics and reporting
- Desktop client for easy file management
